6. Entry

The fee for this event shall be \$240.00 for entry + \$60.00 Saturday track access fee per team + \$11.50 per driver. The date and time for close of entry shall be 9.45am Saturday 12th April 2008, otherwise a late entry fee of \$50 will apply. The minimum grade of license shall be an AKA Senior Provisional C Grade License or AKA single event licence.

7. Minimum Entries

The minimum number of entries per class shall be 20. If insufficient entries are received the event may be cancelled at the discretion of the organiser.

8. Format of Racing

The event will consist of one (1) race only. There will be a 350 Lap race on Sunday only. **The race will commence with a standing start with the starting grid to be determined by timed qualifying session conducted after 3.00 pm on Saturday 19th April 2008. The time for each team will be decided by combining the fastest lap of 3 nominated drivers. Each nominated driver will have 10 mins to set their lap time. Nominated drivers must be submitted to the Clerk of Course prior to the completion of practice session two (2).** The winner of the race will be the kart/team that has completed the most number of laps at the completion of the specified time period and receives the chequered flag first. Please note that "P" Plate drivers must start rear on field. **N grade competitors not running to weight must start rear of field.**

The TEKA Endurance Kart Series shall use the following point score:

The series shall be scored on an outright basis with all teams in Division A and Division B scoring points for the outright position achieved with the exclusion of any N grade team. TEKA Division B teams are permitted a maximum of one TEKA Division A driver, or AKA A Grade Licence holder. The organisers reserve the right to grade teams at their discretion into Division A, Division B, **Division B2** or Non Championship (Division N). Division N is not eligible for series points and must start at rear of grid.

A team will not score any points if the kart does not cross the start/finish line at the completion of the race under its own power within two minutes of the chequered flag being waved to signal the completion of the event. This result will be recorded as a DNF (Did Not Finish).

A kart may NOT exit pit lane and return to the track after the chequered flag at completion of the event. This result will be recorded as a DNF (Did Not Finish).

1 point Shall be awarded for the kart that achieves pole position.

Signed: *Karen Newton* Date: 09/04/2008

Refer to Chapter 22 of the 2008 AKA Manual.

The organisers will supply Premium Unleaded Petrol (PULP) for qualifying and the race. Fuel tanks should be emptied prior to Timed Qualifying. Karts will be refuelled with supplied PULP immediately prior to Timed Qualifying. Competitors must supply their own PULP for practice. Fuel may be tested at any time during the event.

17. Minimum number of drivers

The minimum number of drivers for the event is 3. Cross entering of drivers between teams is not permitted.

18. Pit Stops and Compulsory Driver Changes

The minimum number of compulsory pit stops for the race (including the stop at the end of the event) **is Ten (10) for the (350) Lap race (with at least 3 being fuel stops) on Sunday.** During the race, no driver is permitted to drive for more than 60 minutes without a driver change. A driving stint does not include refuelling, weighing, driver changes or mechanical repairs. A minimum break of at least 20 minutes should be taken in between driving stints. *Please note: The location of the track/pit timing loops vary from track to track and it is the team/drivers responsibility to know the location of these loops and how this effects the measurement of the 1 hr max, driver stint. Time Keepers decision is final. Computer lap penalty of 5 laps for each breach of this rule.*

19. Judges of Fact

The Starter

The Chief Lap scorer

The Weigh Marshal

The Noise Control Marshal

The Grid Marshal

(These will be as per Rule 4.17)

20. Weighing of Karts

Karts may be weighed at the conclusion of each event at the discretion of the Clerk of the Course or the Weigh Marshall. Should a competitor fail the first test they may request one additional test.

21. Pit Area

Driver Change area

No mechanical repairs or tools are permitted in the pit area. The only work permitted on a kart in this area is chain lubing or tyre pressure adjustment using a hand pump or air bottle and tyre pressure gauge. Only tools required for lead/ballast changes are permitted in this area and all items must be removed to a safe location immediately are use. Any breach of this rule may incur a penalty of up to 5 laps for a first offence.

During the event (including practice, qualifying and race) only the driver getting out of the kart, the driver getting into the kart and one pit crew are permitted in the pit area. Once

a pit stop has been completed they are to leave the pit area immediately.

Speed limit in the pit area is restricted to 20kph, to be measured by radar gun or by the pit lane official. Penalty for exceeding this speed limit will be determined by the officials, and can include a stop-go penalty for a first offence, 5 lap computer timing penalty for a second offence and a 10 lap penalty for a third offence.

During practice, qualifying or the race, The Pit area, break down lane (driver change area) may be closed to all competitors for reasons of safety, forced majeure or to ensure fairness to all competitors. Normally a Safety Kart will be deployed for this period. When the pit lane re-opens those teams wishing to complete a drive through or driver change may do so but the exit will be closed until the last kart remaining in the freight train has passed the exit. You must rejoin on the back of the freight train in the order you leave the exit chute. The fuel bay remains closed. The one hour driving stint will be extended during this time.

22. Transponders

The fitment of transponder brackets is mandatory. The transponder bracket must be mounted with two bolts and nyloc nuts (not cable ties) on the left hand side pod. Transponders must be mounted on the inside of the left hand side pod with the leading edge of the transponder no closer than 250mm to the rear of the centre line of the front left hand stub axle measured when the front wheels are pointing straight ahead. It is the team's responsibility to return the Transponder in working order, any loss or damage is the team's responsibility. Transponders must be fitted for the entire practice session.

23. Post-qualifying parc-ferme

After the completion of qualifying, karts may not be taken back to the pit, but must instead be taken straight to parc ferme. Karts may refuel after qualifying prior to going to parc ferme. Competitors/Pit Crew may work on their karts while in Parc Ferme.

24. Number of tyres

Prior to qualifying the number of prescribed tyres is open. For qualifying on Saturday and the (350) Lap race on Sunday, only one (1) set of prescribed Dry weather tyres and Only one (1) set of wet weather tyres are permitted. Damaged or worn out tyres (by the way of force majeure) must be reported to and be inspected by the Chief Scrutineer prior to the kart leaving the grid/impound area. Replacement(s) will be at the competitors cost. Drivers receiving a replacement(s) will be required to start at the rear of the grid, the only exceptions to this is a tyre with a manufacturing defect (as approved by the tyre representative and/or the Chief Scrutineer) and/or the competitor electing to use an approved used tyre.

25. Historic Kart Demonstrations

A Historic Kart track demonstration **will not** be conducted at this meeting per Chapter 53.
